gorgonzola dolce – this cheese is a veined Italian blue cheese, made from unskimmed cow's milk. It can be buttery or firm, crumbly and quite salty, with a "bite" from its blue veining.

brillat savarin – is a French soft, white-crusted cow's milk cheese triple cream brie with at least 72% fat in dry matter.

truffle pecorino – originally comes from the Italian island of Sardinia this raw sheep's milk cheese is infused with black truffle paste that has been aged to develop its own character. During the aging process, oil and vinegar are applied to the cheese's rind to prevent weight loss.

ocelli al malto d'orzo e whiskey – this is a newly created original cheese. Only a few, carefully selected wheels are aged over a very long period of time and then coated with malted barley and whisky. The final result is a unique cheese with a strong and complex fragrance.

all our cheeses are served with quince paste + lavosh and do go wonderfully with a lovely paired wine. Ask your waiter for recommendations.
